

Urban Oasis 30

One of our most popular products due to the colour range as well as the height and weight of the yarn. Ideally suited for hardwearing areas such as child care and schools. The Urban Oasis 30 will thrive in all areas it is used. Like all Urban Turf products it is made for Australian conditions and won't disappoint. Why not put the name to the test and create your own Oasis using Urban Oasis 30. As with all Urban Turf please refer to Care Guide for optimal performance.
